Seminar #1: State of the Industry: Corn and Cellulosic Ethanol

Presenter: Todd Sneller
Nebraska Ethanol Board

Todd Sneller is the Administrator of the Nebraska Ethanol Board. The Nebraska Ethanol Board is a state agency, created in 1971 by the Nebraska Legislature—the first state agency in the United States devoted solely to the development of the ethanol industry. The Nebraska Ethanol Board is an invaluable resource to communities wishing to attract an ethanol plant—and to developers who are looking to locate an ethanol plant in the state. The Board works closely with policy makers, economic development officials, utilities, regulatory agencies, and others to help coordinate and facilitate the development of ethanol industry.
